

MUSIC/DANCE

“The truest expression of a people is in its dances and its music.”

Music and Dance are integral to our existence. They are indispensable elements of cultures across the world. Music develops abstract reasoning necessary for academic success. Dance is the finest medium of self expression and learning social skills.

The school encases a well quipped and sprawling Music and Dance room with the best musical instruments. Regular training sessions are conducted to train students in recitals of shabads and gurbanis. Students are introduced to various genres of music and dance. Teachers make sincere efforts to identify their hidden talents in order to help them hone their skills based on their flair and interests.
